FOR THE HOLIDAYS.

THE GRUBER-MORRIS  
HARDWARE COMPANY INC.

**Head Your Letter Again.**  
Never mail a letter written at night until it has been read in the morning. You may materially reduce the number of your correspondents by persisting in this course, but you will gain in reputation for prudence and common sense. What seems philosophy by candlelight is but folly by day, and the brilliancy of night lacks sparkle in the morning.

**Personal.**  
"Do you really maintain that there exist dogs who are more intelligent than their masters?"  
"Certainly. Such clever animals are rare, but I've got a pointer—what are all you claps laughing about?"

**This Life of Ours.**  
At the end of life we discover that we have passed nearly one-half of it in being happy without realizing it and the other in imagining that we were miserable.

Never yet was the voice of conscience silenced without retribution. —Jameson

**Low Tide on the Beach.**

A Reliable Prescription Drug Store.

### HOTEL NEWS

C. O. Chamberlain, proprietor of the  
Palmetto House, spent yesterday in  
Jacksonville.

Philadelphia is represented in the re-  
cent arrivals at The Despland by Mr.  
and Mrs. Victor Johnson.

Mr. and Mrs. Thomas E. Gororan, of  
Richmond, Va., are in the city and are  
stopping at The Despland.

J. F. Horner, the St. Louis clothing  
drummer, spent the past day or two  
here, a guest of The Despland.

H. Montgomery Smith and L. Howard  
are among the Jacksonvillians regis-  
tering yesterday at Schmidt's Villa.

Jacob Ginalich, owner of the Colo-  
nades, is expected here within a few  
days from the north, accompanied by  
his family.

Mrs. Bernard has accepted the posi-  
tion of stenographer at the Clarendon  
for the season. She filled the same  
place last year.

A. J. Mitchell and N. C. Almond, of  
Atlanta and J. S. Campbell of Chatta-  
noga, are among the Southerners stop-  
ping at Schmidt's Villa.

Mr. and Mrs. Z. T. Kallbaugh, hailing  
from Piedmont, W. Va., are taking in  
the sights of Daytona, and have accom-  
modations at The Despland.

U. Baird, an elderly gentleman from  
Pittsburg, was an arrival yesterday at  
The Despland. He will make that hotel  
his home during the season.

Mr. and Mrs. E. J. Trudewell, after  
spending several days here with S. H.  
Mosley, of the Gables, have gone on a  
visit to Palm Beach and Miami.

The Hotel Despland is already enter-  
taining quite a few guests, and Manager  
Waite thinks the prospects for a bright  
season at his hostelry are excellent.

Charles Walker, the new chef of the  
Hotel Despland, recently arrived. Mr.  
Walker spent the summer and fall at  
the Atlantic Hotel, Narragansett Pier,  
R. I.

### McFadden's Case This Afternoon.

The case of R. T. McFadden, who was  
arrested last Saturday for the alleged  
violation of the ordinance requiring per-  
sons selling shells, curios, etc., on the  
water front east of Beach street, to pay a  
license of \$250, will come up in the  
Mayor's court this afternoon at four  
o'clock. T. E. Fitzgerald and Landis &  
Fish are attorneys for the city and  
Stewart & Bly for the defendant.

The regular meeting of mothers of  
Daytona Kindergarten was held re-  
cently. The afternoon was profitably  
spent in discussing Christmas topics.  
The attendance was very good. Tea  
was served after the discussion.

### The River Jordan.

Concerning that unique stream, the  
river Jordan, Dr. Libbey, in "The Jer-  
dan Valley and Petra," writes: "Per-  
haps the strangest thing about this fa-  
mous river is what none of the an-  
cients ever guessed that its course  
was mostly below the level of the sea.  
They journeyed up and down the val-  
ley since before the days of Abraham;  
they climbed down the roads from Je-  
rusalem to Jericho and up into Moab  
and Edom; they built roads east and  
west of the Jordan; they built roads  
and bridges and cities far below the  
level of the Mediterranean and yet never  
seem to have suspected that this  
stream differed from most of the rivers  
of the globe in this respect. Greeks,  
Romans and Mohammedans, Jews,  
Christians and crusaders knew every  
nook and cranny of its winding course,  
but failed to realize that while its  
head and source rested high on noble  
Hermion's side its mouth in the Dead  
sea was far below the surface of the  
habitable world and all the surround-  
ing oceans."

### Calamities That Didn't Occur.

When the first use was made of the  
natural gas wells people of a certain  
class were much disturbed. All sorts  
of evils were predicted, and warning  
letters were received by the companies  
in charge. One man sent a caution  
against boring much into the earth.  
The world was a hollow sphere, he  
said, filled with a gaseous substance  
and floating like a balloon in space. If  
the gas were allowed to escape disaster  
would follow. Another, claiming to be  
a scientific man, assured the owners of  
a well that any fire coming in contact  
with the escaping gas would be com-  
municated to the gas beneath and  
cause terrific explosions. "Men are too  
inquisitive," he said. "They peer too  
far. Let them beware." The gas com-  
panies have kept on boring, and the  
world has so far held itself together.

### Michael Angelo's Vow.

The story is told, but with no solid  
foundation, that Raphael had under-  
taken to decorate the walls of the mis-  
sion of Cardinal Farnesina, on the  
banks of the Tiber, on the condition  
that no one should see his work until  
it was completed. Michael Angelo  
took an oath that he would stop  
this work. Finding his opportunity  
when the artist came late to work and  
disguised as a seller of cakes and wine,  
he distracted the attention of those  
round the scaffold that was prepared  
by offering to them his wares, and, as-  
cending, he drew upon the wall a gi-  
gantic head of Jupiter and hurriedly  
left the building, his vow thus accom-  
plished. When Raphael presently came  
he instantly exclaimed on seeing the  
sketch, "Michael Angelo!" and left the  
palace never to return.

### They Tell a Different Story.

There are peculiarities of our Eng-  
lish language which no other language  
exhibits. Did you ever notice how  
many English words are formed by  
simply dropping alternate letters for  
example, wheat, heel, eat, sat; sham,  
ham; am; wheel, heel, eat; whale, hale,  
ale, and scores of others?

Again, we have in our mother tongue  
two words which, joined together,  
make a distinct word of an entirely  
different meaning, just as a single  
word disintegrated does. Take the words  
"since" and "rely" or the separate  
word "sincerely." To illustrate:

Your letter came, in words that tempt me  
dearly.  
You wrote them, sweet, most truly and  
sincerely.  
For praise like that heroes might gladly  
die.  
But on another's love you since rely.

### The Final Blow.

It is said that often when a woman  
says "no" she means "yes" but there  
are signs which discourage even the  
most hopeful and persistent wooer.

"I didn't so much mind Hetty's say-  
ing she'd as soon marry a jumping  
jack as me," said Ethan Hatch for-  
lornly to a sympathetic friend, "nor I  
didn't much care when she said she'd  
rather stay at home than go out to  
Jordan's park with such a slow coach  
as I was, but when she told me she'd  
got to help her mother iron when I  
asked her to go with me down to the  
Center for some ice cream soda I saw  
'twasn't much use hanging on any  
longer."

## THE RIDGEWOOD

## Hotel Colonnades

SEABREEZE, DAYTONA, FLORIDA.
